Facts & Details of the case: -

X. dy 29-10-91

Petitioner presented an application to Deputy Commissioner setting forth clearly therein the above facts, on which the Deputy Commissioner endorsed that the Amildar should submit all the records connected with the case.

V no 178 dy 29-10-91

No 263 dy 10-11-91.

The Amildar then gave an endorsement Hukum to the Sheldar directing him to give a full report of the case as to who owned the Dope and planted trees in it, who was enjoying the produce of the trees till then and what is said about it in the previous years' accounts. Amildar's endorsement also demanded the submission of the accounts and a Mahazar as to the petitioner's enjoyment of

of the Tope and the pre-
-sence of the petr in the
Taluk Cutcherry.

The Shekdar obeyed
and reported[x] to Amildar
that he sent the Shan-
-boque with the required
accounts and the petr to
the Taluq.

The Mahazir[x] is as follows:-
"The accounts shew that the
"petr owns the tope mentioned
"in the petn., survey no 43 of the
"Extent 1ac-6gun which has
"been entered as "Kharab land"
"In this tope there are 6 Berlé
"trees, 1 mango tree, 3 tamarind
"trees, 1 Huvarsee tree and 6
"Honge plants. Besides these,
"there are 2 stone wells and one
"Mortar mantap which as we
"all know were constructed and
"greatly taken care of by Petr's
"Grandfather Beerappa about
"60 or 70 years ago. Hitherto it
"was in the possession & enjoy-
-ment of the Petr who was using
"the produce of the trees and the
"dried and fallen branches thereof.
"He has also on several occasions
"repaired the Wells and mantap.
"In the accounts for the year
"Siddharti, the tope has been
"mentioned as that belonging

[x] in his no 414/2 dd 12/91-

[x] dd 29-12-91.

"to Chinnappa (Petr's father) and
"it former number was 220. We
"all know for certain that the
"Petr is the only legal owner
"of the tope and nobody's claim
"over it is admissible".

Along with the Ma-
-hazar, the Khadgbhitta
for the year Siddharti
(bearing the Amildar's initials)
has also been submitted
and is as follows:—

" No. 220 — This number is
situated on the West of the
Yallibungi village and is
bounded on the South West
(ಪೈಋತ್ಯ) by Chinnaiah's Wells,
mantap &c;— on the East by
garden land No. 219;— on
the West by a ditch con-
-taining water &c; on the
North by Onam No. 218 and
on the South by Kurakelly
Tope — extent 50 by 70 yds.
= 3500 sq yds = 7 Khadgas."

The Amildar has also
submitted the Thanboque's
report which runs as
follows:—

" The three tamarind trees
and the tope in which they

× By 18th January/92

"they were planted together with
"the wells and mantap are to
"the West of the Yellaburgi village
"and belonged to the father and
"grandfather of Pet^r Veerappa.
"About 20 or 25 years ago the
"three (3) tamarind trees in the
"tope were granted to Veerappa
"for Kandayam & remained
"in his possession till the Sur-
-"vey Jamabundy. During the
"Survey Jamabundy, Pet^r
"applied for the land at the
"foot of the tope for Kandayam,
"which request was not granted
"by the Survey Sup^t^ who
"conferred on Pet^r the right
"of enjoying the produce of
"the trees and using the dried
"branches thereof, since the tope
"lay just by the side of the
"road, and removed the
"assessment on the tope, but
"no order to the effect was
"given to Pet^r in writing. The
"Pet^r intending to obtain a
"written order, applied to the
"Deputy Commissioner, and accor-
-ding to the order of the latter,
"the Amildar demanded the
"Hobli Sheristdar to submit a
"full report of the case with
"a Mahazar signed by the
"Villagers. The Sheristdar accor-
-dingly came to the Village and

"and did as being directed.
"The Tope being in dispute, I
"did not include it in the
"Amaraji estimate and have
"submitted this fact by means
"of a separate report. I did
"not mention it on the ground
"of non payment for the pre-
-"vious year".

Anildar's report to the Dy Asst
No 656 of 20-10-92

The Anildar having perused all these records submitted by the Shekdar and the Shanbogue and heard the petitioner in person submitted his report to the District, which runs as follows:-

"After instituting an enquiry
"into this case, it was found
"that the tope whose former
"number was 220 has been
"since entered as no 43 by the
"Survey department. This
"number which is mentioned
"in the Beduspatike (ಬೆದುಸ್ಪತಿಕೆ)
"as containing Mandi ta-
-"marind trees, Mango, white
cali,

"Jali tree has been brought
"under the head 'Khasrab' and
"is 1 ac. 6 gun in extent. The
"Petr avers that the trees
"being planted and the
"tope brought to an efficient
"condition by his grandfather
"and father and having
"been hitherto in his pos-
"session & enjoyment a
"remark may be made
"to the effect in the 'Khétwari'
"so as to ensure his claim
"over the tope. The inspection
"of the spot in question showed
"that the petrs grandfather
"'Beeraphe' planted and
"protected the trees with
"great care, that after him
"his son Chinnappa (Petitioners'
"father) took possession of
"the tope and that the ori-
-ginal owner thereof con-
-structed 2 wells & mantap
"in it. A nahazar to this
"effect has been received which
"is submitted for reference.
"The Chitta for the year Sidharti
"has been noted and a

"a copy thereof is attached to
"petn in which is mentioned
"the fact that the number
"together with Chinnaks
"wells and mantap thereon
"therein is to the west of the
"village. The boundaries of
"the tope and the trees therein
"have been mentioned in the
"chitta The said Chinnaiah
"is reported to be the Petrs
"father - The report of the
"Sanbagee states that the
"tope was formerly given
"to Petr on an assessment
"of 1/2 Rs on the consideration
"of his link over it that at
"the time of the Survey Settle-
-ment, the assessment was
"remitted and that since
"then, Petr has been in free
"enjoyment of the produce
"of the trees - The Sanbhog
"also reports that the tope
"and the trees therein were
"not at any time brought
"under Amerage cultivate
"and assessed All

"three records have been at-
-tached & submitted for perusal
"and orders"——

The Deputy Commissioner's
Order thereon:—

"No satisfactory evidence has
"been adduced to prove that
"the produce of these Amarayi
"trees has been enjoyed by
"Petr Free of assessment-
"Petitioner himself admits
"that he was paying an
"assessment for the pos-
-session of the tamarind
"trees and that the same
"was remitted at the time
"of the Survey Settlement-
"The produce, therefore, of the
"trees claimed henceforth
"be included in the Amarayi
"Sale and in consideration
"of being the grandson of
"Son of men who planted,
"protected and enjoyed the
"produce of the trees, and
"to the Mukdar thereto, the
"Petr is entitled to the
"possession of the fallen

"or buried ones with the per-
"mission of Government, having
"first planted new ones in
"their places. - This order with
"its number should be men-
"tioned in the Khéfiyat, a
"remark made to that effect
"and the order brought into
"force".

Steps were taken by Amildar to bring this Order to force in the Taluk Enforcement to Shekdar.

Pclr again presented an application to the Deputy Commissioner on the same matter but the Deputy Comr referred him to his previous order and said that it was final.
